

Setting okaloosaclerk.com in Compatibility Mode for Benchmark (Court Records Online)

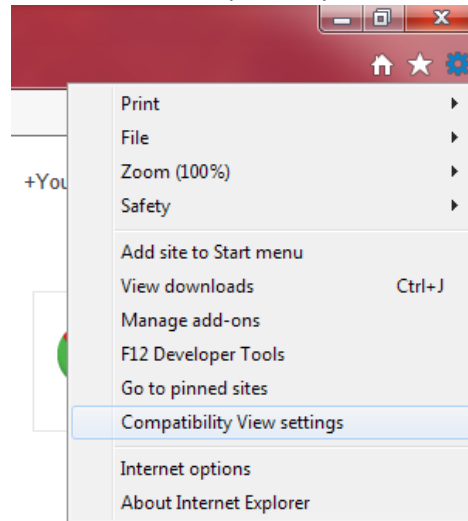

Attention Internet Explorer 11 Users, Please add okaloosaclerk.com to Compatibility View Settings of Internet Explorer 11.

Make sure you are on the Home Page <http://www.okaloosaclerk.com>

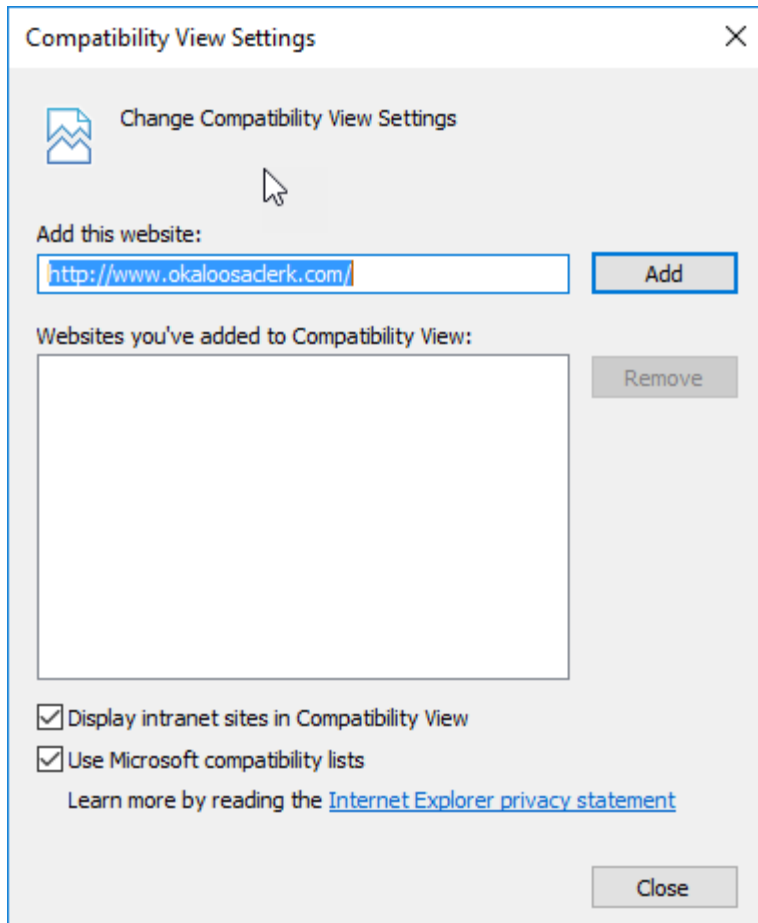

Click on the Gear (top right of the IE Window)

Then click on Compatibility View settings

The site address should show in the "Add this website: " box → Have them click Add

Once its added it should show in the "Websites you've added to Compatibility View:" Box ...Click Close and they should be able to search Benchmark correctly.

Known Issue:

If searching by name, we are aware there is issue and in the process of resolving that issue.
